Members of the Peace Corps

REFERENCE : Memo dtd 4 Jun 65 to DD/S fm C/Operational
Services, same subject w/att

25X1A

1. [] memorandum of 4 June suggests appropriate coordination of a draft notice containing a new statement of policy regarding the employment of members and former members of the Peace Corps. He states that you plan to confirm that the policy reflected is acceptable to the Peace Corps.

2. Colonel White feels that the policy regarding present and former Peace Corps members has been handled by members of the Office of the Director of the Agency and by the Director of the Peace Corps and that under these circumstances further coordination would not seem necessary. He would like you to establish that the draft notice attached represents the agreed-to policy on the subject, after which he plans to raise this subject at the Director's morning meeting. Will you please take the necessary action.
